British Petroleum

Dear sir / madam,

In response to your recent advertisement on LinkedIn, please find attached a recent copy of my curriculum vitae for your consideration. With over 15 years in the information technology industry, I understand what's required to put out good, quality software applications.

I studied computer science and since then, I have worked in software development within the following industries:

Healthcare
Insurance

Document management Sports retail.

I have built automation and performance testing frameworks using sound software engineering practices and design patterns using .Net, C# and JavaScript. It would be a pleasure to learn more about British Petroleum's needs, and I would welcome the chance to provide further insight into my knowledge, technical abilities, personal attributes and track record.

Thank you for considering my candidacy for this position. I hope to hear from you soon to schedule an interview.

Sincerely,
Peter Imeokparia
